

**Greenwich Public Schools Human Resources Department
 Contacts for Major Functions related to GPS Staff
 as of May 1, 2023**

Note: The chart above denotes only major job responsibilities for GPS staff (administrators, teachers, PAs, and security personnel), and does not include HR job responsibilities fulfilled for Town of Greenwich employees working for the BOE. Some job responsibilities have been redistributed based on the current HR vacancy, which we anticipate will be filled by July 1.
